LOCKWOOD VIVID® COLLECTION

Unleash *your* Style

Proudly introducing the Lockwood Vivid® Collection. Available in three luxurious finishes – SATIN BRASS, SATIN GUNMETAL, and SATIN BRONZE, this is a range well-placed to satisfy the growing consumer trend towards coloured door hardware finishes. Gunmetal is a popular choice thanks to its versatility, and it works with almost any décor style, from sleek and modern to heritage charm. There is also an emerging preference for warmer, natural tones such as brass and bronze, which work well in Modern Country and Hamptons-inspired homes and add character to new builds.

Vivid® levers come in Passage, Privacy and Dummy internal door formats, as well as sliding door components like cavity sliders, edge pulls, and flush pulls. Accessories such as door stops and hinges complete the full internal application.

The Vivid® Collection's three finishes are derived from a physical vapor deposition (PVD) surface treatment which offers a range of benefits, including sustainability and durability. PVD coatings exhibit unparalleled hardness, with four times the robustness of chrome, along with superior scratch and wear resistance, and reduced susceptibility to corrosion. In addition, PVD coatings do not emit toxic liquids or gases during manufacturing, making them a cleaner and safer method of production.

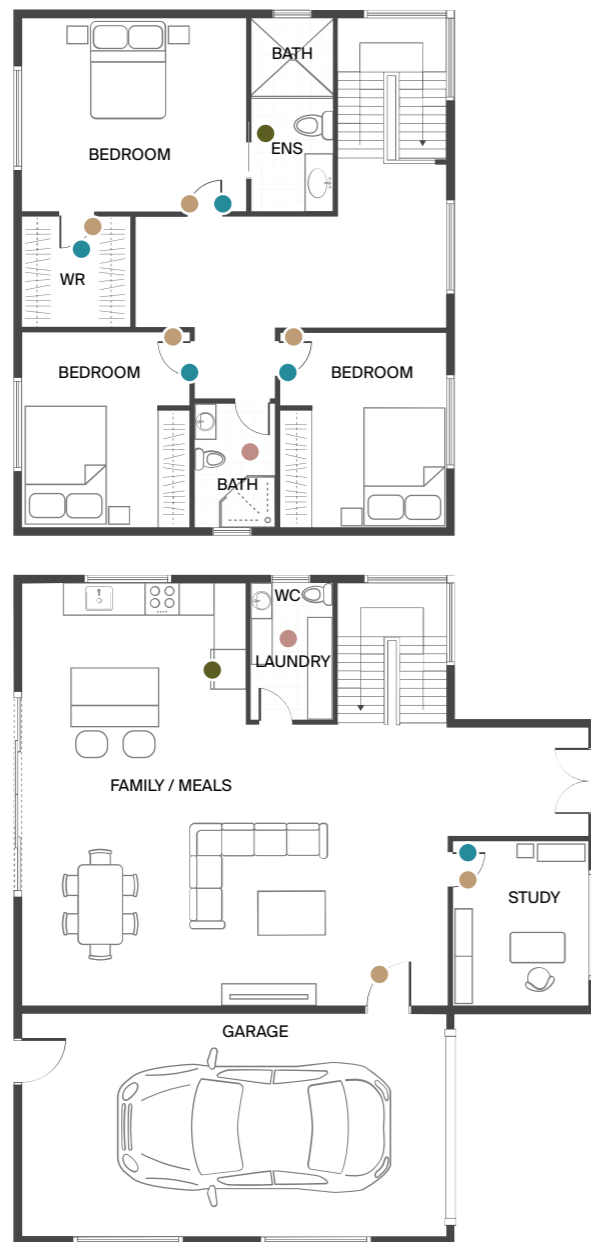

With the peace of mind that PVD provides, and the variety of coloured finishes to match any home décor style, Vivid® is the complete solution for renovators and new home builders alike.

Your *home* should tell the *story* of who you are, and be a collection of what you *love*.

— Nate Berkus, Interior Designer

With three luxurious *finishes* to choose from, and a range of shapes and styles, there's a Vivid® Collection *solution* for every space in your home

- Bedroom (Passage / Dummy Lever)
- Bathroom / Ensuite (Privacy Leverset)
- Kitchen Pantries, other Sliding Doors (Flush Pull, Edge Pull and Cavity Slider Privacy Set)

Internal Hinged Doors

HINGES AND DOOR STOPS

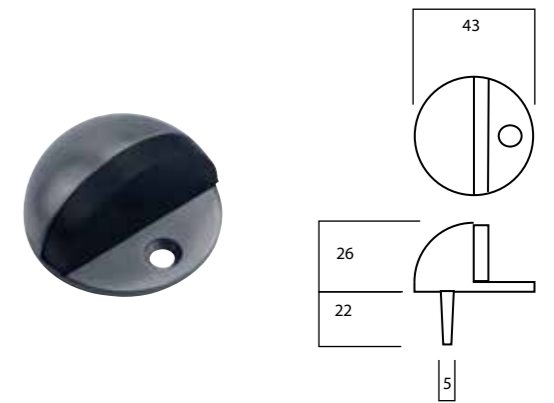

The Lockwood Vivid® Loose Pin Hinges are suitable for regular internal doors, as they make it easier to remove the door from the frame for maintenance purposes. Additionally, they offer the convenience of quickly removing internal doors to accommodate the installation or removal of large furniture pieces or appliances.

These hinges are made from 304 stainless steel and have a typical metric pole pattern.

PART NUMBER	HINGE SIZE (MM)	DESCRIPTION	FINISH	TYPE	MATERIAL	MAXIMUM ADJUSTED DOOR WEIGHT (KG)	FIRE RATING
VIVLP/SBPVD	100X75X2.5	Loose Pin	Satin Brass PVD	Butt Hinge	304 SS	60	None
VIVLP/BZPVD	100X75X2.5	Loose Pin	Satin Bronze PVD	Butt Hinge	304 SS	60	None
VIVLP/GMPVD	100X75X2.5	Loose Pin	Satin Gun Metal PVD	Butt Hinge	304 SS	60	None

Finish

PVD Satin Brass, PVD Satin Gun Metal, PVD Satin Bronze

Designed to be floor mounted, the door stop prevents doors and handles damaging walls and fixtures. The black rubber buffer gives further protection for door finishes.

STANDARDS & COMPLIANCE

Tested to AS4145.2 2008 for Neutral Salt Spray, passing C6 - 168 hours.

Designed to be wall mounted, the door stop prevents doors and handles damaging walls and fixtures. The 300 Series door stops feature concealed fixing behind the rubber buffer.
